GUITAR PRAISE 2

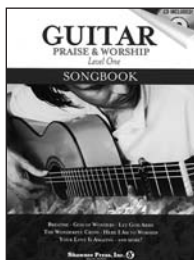

60 FAVORITES FOR GUITAR-
DRIVEN WORSHIP

arr. Ed Hogan

Lillenas

Guitar Praise 2 is a 60-song collection of praise and worship favorites for guitar-driven worship. We've made every effort to make these songs easy to learn and sing by incorporating some unique features. First, we've put them in guitar friendly keys (like G and D) so that the majority of the chords are familiar. Most churches and youth groups have trouble singing in the original keys because the vocal range is too high. In addition, we've added fretboard diagrams to aid you in learning some new chords. You'll notice that sometimes a chord fingering changes based on its context within the harmonic progression, so give our diagrams a try. You may find a new way to voice an "old favorite" that makes the next chord a lot easier to find.

STRETCHING THE STANDARDS

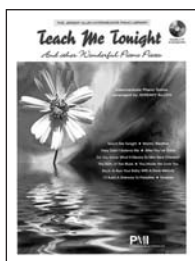

IMAGINATIVE
ARRANGEMENTS FOR PIANO

by Dick Hyman

"These 12 arrangements are intended to depart a bit from the way that the songs were first set down by Irving Berlin, Jerome Kern,

and Richard Rodgers. In terms of harmony, the use of modulations, and the recasting of melodies with unexpected accompaniment, I've tried, with all due respect, to move their classic songs into new territory. Sometimes I've embellished the melodies themselves in the way a jazz player might throw in variations, but these are not jazz variations. To the contrary, the settings are perhaps reminiscent in manner of some of the preludes of Chopin and Debussy, and of the shorter piano pieces of Ravel." — Dick Hyman. Songs include: Hello, Young Lovers • The Last Time I Saw Paris • People Will Say We're in Love • The Song Is You • This Nearly Was Mine • The Way You Look Tonight • We Kiss in a Shadow • and more.
