

The UCLA logo is a yellow octagon with the letters "UCLA" in blue. It is positioned in the upper left corner of the image, which shows a scenic view of the UCLA campus. The background features a large brick building with a red-tiled roof and a green spire, surrounded by lush green trees and a wide, brick-paved staircase leading up to the building. The sky is blue with some white clouds.

John submitted the FAFSA by March 2nd and the Summer Travel Financial Aid Application by April 6th. His Expected Family Contribution (EFC) is \$4500. He plans on attending the History Medieval Paris program from June 20- July 15, 2018. He will enroll in the required units, which is 8 units for this program. The total cost of attendance for the program is **\$9200**.

Summer Award Example

Cost of Attendance/Program Budget

*Program Fee: \$5500

*(this number will be the amount posted to your Bruin Bill)

**Additional Expenses: \$3700 (personal expenses, airfare, textbooks, meals, and spending money).

Total Cost= \$9200

Estimated Financial Aid Package (8 Units)

University Grant: \$1100

Pell Grant (Based on EFC \$4500): \$245

Loans: \$7855

Total Aid: \$9200

If you are a dependent student, you will be offered Parent PLUS loan and if you are an Independent student you will be offered some unsubsidized loan and Private Loan.

Summer Financial Aid Notices

- Awarding will begin mid-May and Financial Aid Award Notices (FAN) will be released by mid May/early June.
- Please review and follow instructions on your FAN.
- First time loan borrowers must complete a Master Promissory Note (MPN) and a Loan Debt Management Session before loans are disbursed.
- If you are offered a Parent PLUS Loan
 - You must accept parent loan on FAN
 - Parent must complete a Parent Loan Application/Credit Check on studentloans.gov
 - Parent must complete an MPN if this is first time borrowing a PLUS loan.
- You must accept the loans **before your program ends**. If you try to apply for the loans after you return from your studies, the loan will never disburse. No exceptions.

Private Loans

If you are offered private loans please be aware that this can take more than 2-weeks to process

- If you are offered a private loan on your FAN, and wish to take it out, please take action immediately!
- You will need to locate a private lender (Ex. Wells Fargo Bank, Sallie Mae, Suntrust, etc) and apply for a private loan based on their terms and conditions.
- Once you have applied and have been approved (usually need a cosigner) then the lender will notify our office to verify your enrollment. This information is then sent back to the lender for disbursement processing.
- Lender will have a 10 day holding period on funds before UCLA receives private loan money.

Enrolling in Summer Travel and Session C

If you plan to participate in Summer Travel and attend Summer Session C then your Summer Travel refund may be less than expected.

Why?

- On Bruin Bill you will have fees posted for Summer Travel and Summer Session C
- Once your travel study financial aid disburses, the aid will automatically apply to your total balance on Bruin Bill.
- This means that if you have accepted all of your summer travel financial aid (including loans) then your refund will be a lot less because a portion is being applied to your summer session fees.
- Remember we only fund you for ONE summer program.
